As we seniors walk from the shadows of our high school days into the realm of the adult world, we shall miss the friendly classmates we have known and the teachers who have given us a helping hand on the road to knowledge. The fond memories of formal dances, sports, and class plays are forming the past, and now we look to the future . . .

Good Luck, Seniors

## *Our Exchange Student from Germany*

The students and faculty have been very happy to know Irmtraud. She has a very outgoing personality and has easily made friends. The teachers have found her a very sincere and responsive student.

Irmtraud won the school "I Speak for Democracy" speech contest and placed second in the county "My True Security" contest. She is a member of Y-Teens and IRC in school and was also one of the Senior princesses at the Christmas Ball.

My first school day in Oregon City was very difficult, because everything was so new and strange; my last school day here will likewise be very difficult because I'll have to leave all my American friends. As for the days in between, they have been very enjoyable. I was especially impressed by the friendliness and helpfulness of the student body and faculty. Coming from a more formal German

school, I like the warm and informal atmosphere of your school. I so much appreciate it that the American people accepted me as one of them, and made me feel at home in this wonderful state of Oregon. When I left Germany, I did not expect to find a country as beautiful as my home, but I really love Oregon.

You have all been such a help to me during my year as an Exchange Student in Oregon City. Therefore, I want to thank the students and especially the teachers for the part each has played in making this one of the most memorable years of my life.

I hope I'll have the opportunity to meet some of you again later in my life, therefore I want to say "Auf Wiedersehn." My best wishes for you all.

Your friend,  
Irmtraud Oesterle

Coach Chuck Elliott's fighting eleven tied for top honors in the TYV League standings with arch rival West Linn. The Co-Champs from Oregon City suffered their only defeat to the Green and Gold from across the river, thus losing the right to battle in the state play-offs.

Fast running half-back Rod Vermillion and hard charging guard Pat Woods received the co-captain honors for this year's squad. Pat Woods was nominated to play on the Shrine's All-Star game next fall, and he was also picked by his teammates to receive the Bernie Herrmann 1958 Most Inspirational Player award.

This was the Pioneers' first year on the new football field located at the Thora B. Gardiner Junior High School.

The 1958 football squad was undefeated on the road and was rated as the best team since 1950 when the Elliotmen went to the state play-offs.

A better than average chapter in the Junior varsity Pioneer gridiron book was written by coach Wayne Bauer and Tom Nutter's 1958 football machine, summarized by six wins and two losses. The Oregon City J. V. spectators saw the little Pioneers win four out of the eight ball games played.

The win column included victories from St. Helens, 14-0; Dallas, 38-0; West Linn, 36-0; Tigard, 18-14; Newberg, 33-6; Oswego, 14-7. The defeat record showed losses to McMinnville, 24-20; and Forest Grove, 36-12.

Coach Frank Good's basketball quintet did not host a very impressive record this year in the TYV League standings, winning four and losing fourteen. Although the Goodmen didn't win too many this year, anybody who watched them play could see that they were no "cinch" team to beat. Oregon City's weakness seemed to come in the second half where they apparently lost their opening spark.

Loss from this year's squad will be great as four of the top players--Dale Hannaford, Rod Vermillion, Burnell Bohn, and Jerry Poppin--will be graduates. The most promising players for next year are Juniors--Dan Petticord, Tom Naokes, and Ed Hauck. All Sophomore group will be coming up from the JV squad.

The Junior Varsity Basketball cagers, coached by Tom Nutter, consisted entirely of Sophomores this year. Although they only tallied four wins this year, the squad has developed several players which should be an asset to next year's Varsity.

The Oregon City Pioneers baseball team will open the season on March 27 against Milwaukee High. With 10 lettermen from last year's young varsity, it is hoped that they may finish in

first division.

Coach Bauer's biggest problem will be to develop two first line pitchers that can win in the fast T.Y.V. League. Returning lettermen are: pitcher, Bob McGee; first base, Jerry Poppen; second base, Dale Hannaford; short stop, Terry Kelsay; third base, Chuck Mendenhall; outfielders, Burnell Bohn, Mike Higginbotham, and Ray Scharback; and reserves Daryl Sieker and Gary McGahuey. Walt Powell, last year's reserve catcher will also be on hand. Some good-looking prospects from last year's J.V.'s and freshman teams will battle for starting positions.

## *Queen Patsy I*

The Basketball Homecoming Court, an annual event sponsored by the Junior Red Cross, is chosen by the student body at large. The girls then collect money for the Red Cross by means of sales and other fund raising projects. The girl collecting the largest sum of money becomes queen.

The court was introduced at the Pep Assembly on February 20. That night during the half-time of the Oregon City-Forest Grove game, the court was again recognized and last year's queen, Patty Brewer, was introduced. She then crowned Patsy Osborn, Queen of the 1959 Basketball Homecoming Court. The court was then presented with boxes of candy.

Later, Queen Patsy and her court were honored by the after-game dance, "Centennial Sweethearts."
